#### A Teladoc Story

"I recently subscribed to Teladoc and I love the service, in the last month I have used the program and in all three cases had a call back in less than 20 minutes and was able to get a prescription at the local pharmacy. By using my pharmacy discount card I was also able to save 40% off one of the prescriptions. In just the first month I was able to save over \$350.00... Thank you for helping me save money!"
